

SENATOR HEFNER: Okay.

SENATOR HABERMAN: All I am doing is putting these two in to make legal what they are doing now.

SENATOR HEFNER: One more question. How about NRDs?

SENATOR HABERMAN: Evidently, the question hasn't come up, so they must be included.

SENATOR HEFNER: Okay, maybe.... Okay, thank you, Senator Haberman. I believe I can support this amendment. However, I kind of wonder how come all subdivisions aren't included, like say the NRDs and some of those others, that they are not in this bill. So, I think I'll be able to vote for the amendment.

PRESIDENT: Senator Haberman, would you like to close on your motion, please.

SENATOR HABERMAN: I have explained it and I would just as soon take a vote.

PRESIDENT: The question is the adoption of the Haberman amendment. All those in favor vote aye, opposed nay. Have all of you voted that care to? Senator Haberman, please.

SENATOR HABERMAN: Call of the house, Mr. President.

PRESIDENT: Okay. The question is, shall the house go under call? All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 6 ayes, 1 nay to go under call, Mr. President.

PRESIDENT: The house is under call. Will you please record your presence. Those not in the Chamber, please return to the Chamber and record your presence. Sergeant-at-Arms, will you please attempt to locate the other members of the Legislature that are not here. Please record your presence, ladies and gentlemen, so I don't have to call you by name. Senator Morehead, please record your presence. Thank you. Senator Labedz, Senator Haberman, record your presence, please. Thank you. Senator Haberman, would you authorize call ins? Okay, call ins are authorized. We are voting on the Haberman amendment to the bill.
